About New Uddbhav Physiotherapy Centre

New Uddbhav Physiotherapy Centre is recognized as the best physiotherapy clinic and rehab centre in Ambikapur, dedicated to providing high-quality, patient-focused physiotherapy and rehabilitation services. With a team of highly trained physiotherapists, we specialize in helping patients recover from injuries, manage chronic pain, and restore mobility efficiently.

Our clinic combines advanced techniques, modern equipment, and compassionate care to ensure the best outcomes for every patient. Whether you need post-surgical rehabilitation, sports injury therapy, or chronic pain management, we offer personalized treatment plans tailored to your needs.

Our Services

At **New Uddbhav Physiotherapy Centre**, we offer a comprehensive range of physiotherapy and rehabilitation services:

1. **Orthopedic Physiotherapy**

Treatment for fractures, joint pain, arthritis, and post-surgical rehabilitation.

2. **Sports Injury Rehabilitation**

Customized therapy programs to recover from sprains, strains, and sports-related injuries.

3. **Neurological Physiotherapy**

Specialized care for patients with stroke, Parkinson's, multiple sclerosis, and other neurological disorders.

4. **Pediatric Physiotherapy**

Early intervention programs for children with developmental delays, posture issues, or movement disorders.

5. **Geriatric Physiotherapy**

Tailored treatments to improve mobility, balance, and overall quality of life in elderly patients.

6. **Pain Management & Rehabilitation**

Advanced techniques to relieve chronic pain, back pain, neck pain, and joint discomfort.

7. **Post-Surgical Rehabilitation**

Focused recovery programs for faster return to normal activity after surgeries.

8. **Home Physiotherapy Services**

Convenient, in-home physiotherapy for patients unable to visit the clinic.

Why Choose Us

- **Expert Physiotherapists:** Certified professionals with years of experience.
- **Advanced Equipment:** State-of-the-art machines and modern therapy tools.
- **Personalized Treatment:** Individualized plans for every patient.
- **Friendly Environment:** Compassionate care with patient comfort in mind.
- **Proven Results:** High success rate in pain management, mobility restoration, and post-injury recovery.
